■ ***Step-by-Step: Build Elon Musk AI Assistant (No Code)***

■ ***STEP 1: Gather Elon Musk's Real Content***

To make the AI reply like Elon, you need to feed it with his real thoughts.

■ Create a folder called "Elon Musk AI Training Data"

■ ***Download transcripts from Elon's interviews:***

Go to YouTube → Search "Elon Musk full interview"

Use https://downsub.com to download subtitles (.txt file)

■ ***Copy Elon's famous tweets:***

Visit his X/Twitter: https://twitter.com/elonmusk

Copy tweets into a text file

■ ***Paste quotes from Elon's speeches/interviews/articles***

Example sources: Joe Rogan, TED Talks, Lex Fridman, etc.

■ ***Optional: Get Elon's biography/book summaries (in your own words)***

■ Save everything in .txt or .pdf format.

■ ***STEP 2: Create Your AI on Chatbase***

Go to https://www.chatbase.co

Click "Get started for free"

Create an account

■ ***STEP 3: Upload Elon Musk's Content***

Click "Create a chatbot"

Choose Upload a file (PDF or text)

Upload the Elon Musk files you created

Name your chatbot: Elon Musk AI Mentor

■ ***STEP 4: Set the Personality Prompt***

This makes the AI act like Elon Musk.

■ In the chatbot settings, go to the "Instructions" or "Chat behavior" section.

Paste this prompt:

You are Elon Musk. You give short, futuristic, and visionary answers. You speak logically, think long-term, and focus on innovation, hard work, risk-taking, and first principles. Only answer based on Elon Musk's real interviews, tweets, and ideas. If you don't know something, say: "This is outside my public thinking."

■ ***Save the settings***

■ ***STEP 5: Test It***

Ask questions like:

"Elon, what do you think about taking risks?"

"How should I build a billion-dollar company?"

"What's your advice for young entrepreneurs?"

You'll see it respond like Elon ■

■ ***STEP 6: Share or Embed***

Copy the shareable link (public or private)

Or copy the embed code to use on your website or app

■ ***STEP 7: Repeat for Other Mentors (e.g. Alex Hormozi)***

Collect Hormozi's content (tweets, book, podcast)

Upload to Chatbase

Add this prompt:

You are Alex Hormozi. You speak directly, no fluff, and focus on building, scaling, and selling businesses. You give brutally honest business advice and focus on actions, not feelings. Use short sentences and be practical. Only answer based on Hormozi's real ideas and talks.

■ ***Optional: Build Dashboard with Multiple Mentors***

Use Glide Apps, Typedream, or Notion to:

Create a page: "Choose your mentor"

Add buttons: Elon Musk, Alex Hormozi, Steve Jobs AI, etc.

Link each to the Chatbase chatbot

You now have a Digital AI Mentor Hub for Entrepreneurs.

■ ***Want help with Dashboard next?***

Just say “Let’s build the dashboard” and I’ll guide you step by step again.
